Executive summary

This deliverable describes the REWARD project website, both public and partners restricted part. The internal website was already launched during the proposal and grant preparation period. It was presented to the REWARD partners during the Kick Off Meeting in Graz on the 12 & 13th of May 2015.

The external website was launched under the domain www.project-reward.eu on the 28th of August and was presented to all partners via the internal project website.

This deliverable also shows the setup of the REWARD project templates. Templates have been developed to support project presentations, deliverables and reporting requirements. Furthermore, in order to accomplish a project identity, a graphical logo has been created uniquely for the REWARD project.
